

Why Choose Financing?

- Financing makes it possible to obtain equipment you need, when you need it.
- Conserves credit lines for other uses such as expansion or contingencies
- Allows you to acquire/use an asset without having to make a substantial down payment
- Allows you to acquire and use equipment at today's cost, not tomorrow's inflated dollar.
- Payments may be tax deductible (Section 179)
- Enables budgeted agencies to obtain equipment through their operating expenses when capital funds are no longer available
